

Tender Opportunity

In April 2021, Eurostar Global Electronics announced it had signed a 10-year deal with St Modwen Logistics to secure their expansion and relocation to a new 43,000 sq ft warehouse and distribution facility based at Stoke-on-Trent's, commercial hub within Festival Park, Etruria.

The relocation is part funded by the European Regional Development fund.

Interested parties are invited to review the full tender pack documents, located under the following link:
